

Hughenden Arena Booth Expectations
2017-2018

Firstly – WE APPRECIATE YOUR VOLUNTEER HOURS! Without you, we couldn't maintain the function of this facility that brings so much enjoyment to our kids and community!

There are to be **3 ADULTS** (age 18+) minimum per game and **1 ADULT** (age 18+) per practice.

Three caution cheques per family for **\$200** each will be required at the start of the season. One cheque will be cashed for each game or practice the family does not work, or provide a suitable replacement. *The LCSG can help with finding your replacement if needed.*

The first name listed on each week's booth schedule is the **lead family**. It is their responsibility to contact the arena for their week's scheduled events, and be in contact with the other families to arrange shifts, at least a week in advance. Shifts should be evenly distributed.

If, once the arena booth schedule is posted, you find your scheduled week does not work for you, it is your responsibility to switch with another family, and to inform the lead family who the replacement is. The lead family will contact an LCSG member to advise of the change, and LCSG will then approve or deny the chosen replacement.

The booth week begins Sunday and ends after the last minor hockey game the following Saturday.

The booth is to be open **1 hour prior to games**, and **30 minutes before practices**. If there are any questions, please contact Donna Lefebvre at (780)856-2009.
